

Program Facilitator

Collective Growth Pty Ltd

Gladstone, QLD

Part or Full Time

\$90,000 - \$110,000 + Super and benefits full time salary

About Us

Collective Growth is a paediatric support service taking root (plant puns intended) in Gladstone. We were started by the needs of the community as there was limited health services supporting the ever-increasing needs of young people in the area. We are wanting to support and grow ourselves and the community around us.

The goal of our service is to create a place staff love to work, young people love to come and to grow our families together. We value all our staff and want to encourage each person individually, including advocating for personal and professional growth. We want to support you.

Collective Growth utilises NDIS, Medicare and standard billing for sessions with our young people. We work to support our clients as a team of health professionals. We provide assessment for functional and diagnostic purposes including support letters and reports for Paediatricians and Child Psychiatrists. We offer quality therapeutic services for young people and their families. Feel free to check out our team and our services on our website: [Occupational Therapy | Collective Growth | Gladstone Central](#)

Job Summary

We love collaborating with allied health professionals and our goal is to have a great team working together. As such we are seeking a Program Facilitator to join our growing team.

The Program Facilitator position is focused on assisting to prepare and run activities and programs for children and young people. This will include scheduling programs and participants, planning and preparing, managing resources, advertisements, and overseeing and participating in group programs.

The successful candidate for this role will have the following:

- Good communication skills when working with children, families, stakeholders, and other team members.
- Creating and supporting new innovative ideas to support the growth of the organisation.

Qualifications & Experience

- Bachelor's degree in related field, e.g., Social Work, Education or other allied health areas.
- A current Blue Card or ability to get one
- A current Driver Licence and access to a car.
- It would be helpful to have previous experience working with children, however we are happy to talk to you if you are interested in this field.

Skills

- Tech skills are a must. We use computers for a lot of tasks.
- Good Communication skills.
- A growth mindset. Seeking professional development.

Benefits for working at Collective Growth

- We are a developing business which allows for more personal interaction with the team.
- We believe in providing supervision and growth to staff face to face.
- We have great flexibility with working hours to suit you.
- We are constantly striving to find new ways to support staff and improve our work life.
- We are a family focused organisation and care about you and your family.
- Please talk to us about relocation allowances.

If you have any questions, please feel free to email us at manager@collectivegrowthcq.com
